Remarks

Note: Remarks are not for responding to an office action.

In accordance with 37 CFR 1.51, 1.56, 1.97 and 1.98, Applicant submits herewith patents and publications for consideration by the Examiner in connection with examination of the present application. A paper Information Disclosure Statement is also being mailed today to submit foreign patent documents for consideration by the Examiner. The present application and U.S. Patent No. 6,619,473 are commonly assigned. This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such. Under 37 CFR 1.97, the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56 (a) exists. This Information Disclosure Statement is being filed before Applicant is aware of any mailing date of a first Office Action on the merits. An early and favorable action on the merits is respectfully requested.
